If you were going to solicit a teacher on a part of your course that you didn't understand, would you:

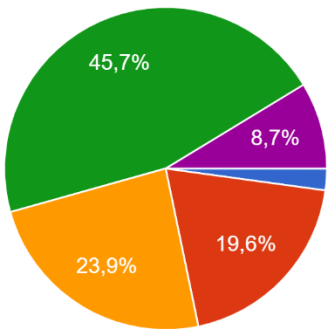

46 réponses

- send him/her a mail
- ask him/her the question during the course
- ask him/her the question during the break
- going to his/her office
- Des permanences sont organisées par les assistants à des heures fixes
- Go bg

Do you solicit your friends for help?

46 réponses

- Never
- Occasionally
- Sometimes
- Often
- Always

Why?

Because they are my friends.

2 brains better than 1

Sometimes it's easier to understand a friend than a teacher

Pour des petites questions

Easier

Car ils ont souvent une autre façon de nous l'expliquer.

Because it's the easiest way

We like to help each other.

Idk

Because i didn't understand the lesson

Because it's important to help each other

To have some help, questions about the deadlines etc

Because I'm too shy to ask the teachers

La famille ça sert à ça

Don't want to disturb the lesson so I ask my friends

Sofian t'es nul à Fifa

Because he can understand things differently

Easier + direct answer

It's easier to understand with a friend

Because they are badass (😏)

Pq c'est le plus simple

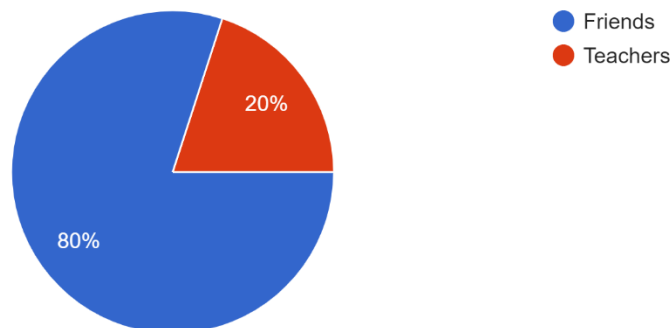

More practical, not judging

Because they are better than me in some lessons

Because

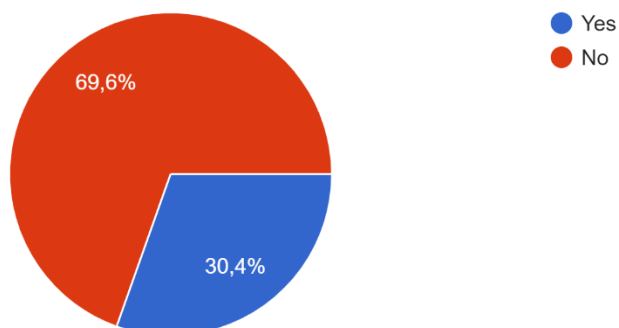

Do you prefer to ask for help from your friends or from your teachers?
